Mr Wildie Teo  
Director  
Emage Air

Emage Air Testimonial

We have been using Emage Air in our office since 2014. By using your product, Natural Tea Tree Purification System, it helps:

- Reducing MC, by killing the bacteria and viruses in the office from flu and cough
- Keeping the office smelling fresh and clean with light scent of tea tree
- Removing odour from food in the pantry

We are very happy overall with your products.

At the same time, thank you for introducing us to this purification system.

We will be more than glad to refer our business partners to Mr Wildie Teo and Emage Air if an opportunity arises.

Yours Sincerely  
Iino Shipping Asia Pte Ltd
